

# Fusion 40 for Sale

## 2011 Fusion 40

This is the ultimate long range cruising cat, specifically designed to cruise the world. It is almost new and loaded with stacks of extras which help with self sustainability and minimal use of fossil fuels. It features a Windgenerator, large solar array and a large bank of the new Tech Dry Cell batteries and twin diesels as well. Sailing is a breeze with the fully battened mains on lazy jacks and drop in boom bag. The headsail is on a profurler as is the prodder mounted Gennaker.

This is a great opportunity to secure a much sought after Fusion 40 at the right price.

**\$470,000 Aus.**
