

# No matter which Ocean, Fusion will take you there Safely . . . .

Photo taken from the Hopetown Lighthouse, as "Boomerang" enters the Hopetown Harbour, in the Bahamas

Ilan Morgan, enters Nelson, NZ, after a quick run from Australia

FUSION, the Cruising Catamaran chosen by America's Cup personel, Transat sailors, Single Handed Champions, Professional Skippers, Marine Engineers, Whitbread and Route de Rhum sailors

It is no accident that these serious sailors choose Fusion, you too can have the inherent strength safety and performance that these catamarans offer,
